I hereby apply to use a 4' by 4' community garden plot at the Hageman Library for the \_\_\_\_\_ growing season. I understand that the Library assumes no responsibility for me or anyone I allow to assist me in the course of performing my gardening activities or for my plantings. I will only plant legal flowers, herbs, fruits, and vegetables. I will not apply any herbicides and use only those pesticides or fertilizers sold for general garden use taking care to use them in only my assigned space for the purposes and in the amounts prescribed on their containers keeping a record of when they are applied. I will carefully wash anything harvested for human consumption even if have not applied pesticides. I agree to maintain the garden including assuming the responsibility for weeding and watering at least once a week. Should I not maintain my garden plot in a reasonable condition or if I fail to discharge the responsibilities to have assumed in this agreement, the Library reserves the right to discontinue my use of the garden plot at any time, to remove all of my plantings, and to assign the garden plot to another gardener.
